› Take your kids along for the ride.

For over 70 years, Thule has been helping you to bring the gear you care for safely, easily and in style so that you are free to live your active life, and bringing your kids with you is no different.

Thule believes in safe, easy-to-use and stylish child transport solutions for your precious ones. Letting you and your kids share your passions – whatever the season and wherever you want to go.

Thule has the best products for families looking to bring their children with them to live an active life.

› Why Thule?

There are three compelling reasons why Thule should be the brand of choice for your active family:

SAFETY.

Thule designs products to meet or exceed international safety standards and our own rigorous internal testing ensures our products can handle the toughest conditions. When choosing Thule, have peace of mind knowing that we have made safety our number one priority.

EASE OF USE.

Our products are designed by outdoor enthusiasts, many of whom are parents. That's why we've included design features that enhance your experience and ensure our products are intuitive and easy to use.

PERFECT FIT.

Our products are built to last and designed to be the perfect fit for both parent and child so they will be used again and again.

› Multifunctional Child Carriers

5 Activities. 4 Seasons. 1 Carrier.

Thule's multifunctional child carriers are one of the highest performing and most versatile products on the market allowing you to enjoy multiple activities year round.

With the Thule Chariot family of multifunctional child carriers, Thule has more than 20 years experience of child carry solutions.

There are 3 series, each designed to suit a different type of active lifestyle.

SPORT SERIES

This sleek and aerodynamic series is designed for outdoor adventure seekers and fitness enthusiasts that don't want limits on the activities they can enjoy with their family and expect the maximum level of performance from their carrier.

URBAN SERIES

For those seeking an all-purpose easy-to-use everyday stroller that in one simple step transforms into a city-jogger or bike trailer.

TOURING SERIES

This classic yet multifunctional series is designed for active families who will be cycling more than anything else.

Quickly and easily change activities with Thule's innovative VersaWing and ezClick.

SPORT SERIES Thule Chariot CX

Thule Chariot CX is the elite performer in comfort, style and technology for the most active family, where mom or dad can bring their kids along while training for that next triathlon.
